#### CUSTOMER ADVISORY

#### MVC Vehicle Registration Cards Get a New Look

TRENTON – The New Jersey Motor Vehicle Commission (MVC) announced today that, effective September 2020, new registration cards issued by the MVC will feature a blue header and updated logo.

No other features on the registration card have been changed. The new cards will feature the same vehicle and driver information as previous registration cards.

Registration cards with red headers and the previous MVC logo will remain valid through their expiration dates. The header color or logo on the registration card does not affect the validity of the card.

Customers are advised to see the sample image attached, which shows the new blue registration card alongside the previous red version.
