October 20, 2020

## **CUSTOMER ADVISORY**

### **MVC Vehicle Center in Manahawkin Closed**

TRENTON – The New Jersey Motor Vehicle Commission has announced that, effective immediately, the Manahawkin Vehicle Center is closed due to an employee testing positive for COVID-19. The Manahawkin Vehicle Center will reopen Monday, November 2. The employee who tested positive was last in the Manahawkin Vehicle Center on Saturday, October 17. In addition to Manahawkin, the Runnemede Vehicle Center, Delanco Licensing Center, and Eatontown Regional/Licensing Center are currently closed due to an employee testing positive for COVID-19 at each location. The Runnemede MVC location will reopen Monday, October 26; Delanco and Eatontown are scheduled to reopen Saturday, October 24. Eatontown Road Test Operations have remained open for appointments, as the operations are in a separate facility. Customers can locate alternative Centers to visit by using the MVC's [Facilities Location page](#). Customers should always visit [NJMVC.gov](http://NJMVC.gov) before heading out to an MVC facility for the latest updates and to conduct all available transactions online. Recent changes at the MVC mean only a few transactions require an in-person visit to an MVC Center. Most license and registration renewals, for instance, can be completed at the MVC's [Online Services portal](#).

Customers also can follow the MVC on social media on Twitter ([@NJ MVC](#)), Facebook ([NewJerseyMVC](#)), and Instagram ([njmvc](#)) for regular news and updates.
